BEE TOOK TOO LONG!

Magic and adventures just aren't what they used to be, from too much coffee to trying to make ends meet from month to month... What is a magical temp worker to do?! From the mind of creator **Natasha Allegri** (*Adventure Time: Fionna and Cake*), this imaginative world takes a life of its own as Bee and PuppyCat learn how to work together with whatever the day throws at them. Enjoy all-new adventures from visiting a local carnival to Bee's first sick day in a collection of shorts with the amazing talents of **Zachary Sterling** (*Adventure Time*), **Meredith McClaren** (*Hinges*), **Joy Ang** and many more!

"This comic has a lot going for it. Boasting an amazing creative team, a great cast of characters, and infinite possibilities for what's to come—there is nowhere to go but up. A great pick for lovers of kawaii characters and chocolate bar."
